

Why So Weary? – Warning Label

Revelation 2:1-7

We remember _____ we're supposed to do but we forget
_____ we do it.

The Great Commandment: Love for God and Love for Others

_____ then how far you have fallen
_____ and do the works you did at first

*Doing the works you did at first means doing them the same **way** you did them at first; out of love for God and others*

A GOOD AFTERTASTE:

Ruminate on God's Word this week and meditate on what the Holy Spirit wants to say to you using the following thought-provokers.

The slide to danger is slow and gradual, so that we barely notice it while it's happening. Make regular assessments of where you are compared to where you began with Jesus.

Do you notice any difference in your love and obedience to Jesus today compared to when you first believed? What are some of the things you used to do out of love for Jesus and others that you don't do as much as before? Are you still doing things but lack love as your motive?
