

## THANK YOU!

### BECAUSE OF YOU, ORPHANED CHILDREN ARE RECEIVING MEDICINE.

In an Eastern European city, hundreds of children live in orphanages; many are disabled and have been abandoned by their parents. COVID-19 restrictions have further threatened the well-being of these vulnerable little ones because of funding shortfalls for healthcare supplies, including medications.

Alliance workers partnered with local believers to provide life-saving medicines for 240 children living in one orphanage. Because of generous Alliance donors like you, they could also deliver needed cleaning supplies, gloves, and other sanitary items to an orphanage that is home to 50 babies.

“We were strictly quarantined, but some of our national partners could legally deliver tangible help; it was a joy to empower them for ministry at such a time as this!” our team members exclaimed.

Rejoice with us that these neglected little ones have received the healthcare supplies they desperately needed—a clear demonstration of Jesus’ compassion. Pray that many of these orphaned youth will come to know their Heavenly Father, who loves them deeply and will never forsake them.
