

Hope for the Weary

Isaiah 40:28-31, Matthew 11:28-30

The antidote for the weariness and despair of life is HOPE

And our hope comes from a _____ with God

Trust in the Lord. In spite of weariness, those who _____ in the Lord
will _____ their strength

*Trust me for who I am, come to me for a relationship that will change
everything*

He will lead you _____ difficult days, but He will never
_____ you

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

What's making you weary these days? Is it something you can control? (*like poor sleep patterns*) Or is your weariness a result of pushing upstream against the world-system that appears it will never change?

Do you trust God is who He says He is and will do what He says He will do? Have you come to Him and committed to follow Him? How can we as a church family encourage you in the day-to-day out-working of that commitment?
