

Love His Appearing

Matthew 24 & 2 Timothy 4:7-8

Jesus tells us about the "end of the age" so that we will _____

There will be cataclysmic events at the end, BUT THEN you see Jesus coming!

Do we focus on the _____ or the _____ ?

The unique reaction of Jesus-followers toward our turbulent future is to love His appearing

The struggle is not to be _____ ; not to give _____ or give _____
on Jesus

We recognize the reality of our future but focus on the promise of our eternal home

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Where you focus will determine what you see and therefore how you act. What is your focus in life? The things you see in this world or what the Bible says is really real?

"Love His Appearing. Long for and look for Jesus to return. Allow that Living Hope to strengthen you and motivate you to actively endure to this GLORIOUS end."
