

Thinking of You

Psalm 139:17-24

God thinks about you all the time

God _____ you more than you can imagine

In verses 19-22, David is talking about his love for God!

David _____ those who _____ God

God loves you, and in just the same way He loves those who hate Him.

You _____ the ones that the One you love, _____

KNEES AND FEET (Prayer and Action): *Ask the Holy Spirit to guide you to a change of mind and action.*

Let the notion that God thinks about you all the time sink in a bit. You matter to God. He loves you. How does that fact affect your perspective regarding the day-to-day events of your life?

Consider the expansion of that thought to include everyone, everywhere. If God loves everyone in just the same way that He loves you, does that affect your view of the people around you?

Because we love God, we hate the sinful, rebellious things that people do in opposition to Him, but that is tempered by the fact that God loves the people who hate Him. And He wants you to love them, too.

May the world see all of us as Jesus-followers, acting like our Father of love.
