

## Labor of Love

---

Mark 12:41-43 & 14:3-9

Jesus saw the poor widow give \_\_\_\_\_ she \_\_\_\_\_

Later at Simon's house, Mary gave \_\_\_\_\_ she \_\_\_\_\_

Jesus wanted His future followers to emulate this kind of \_\_\_\_\_ –  
driven \_\_\_\_\_

*Jesus wants us to know that it's not about how much you give, what matters is that it's motivated by love for God and love for people*

Your labor in the Lord is not in \_\_\_\_\_

*Let Jesus use your offering, large or small, and your labor of love will not be  
in vain*

KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

Thank you to all who have and are laboring often without fanfare to make our nation function. We honor you this Labor Day.

But there is more to the labor of Jesus followers than a paycheck or even our promised future rewards. What are the things you do without reward or recognition; solely because you care about God and people?

How does the truth that "your labor in the Lord is not in vain" motivate you in your service for Jesus?
