

We Will Launch

Matthew 9:35-38; Romans 10:15 & 12:1-2

We are a Christ-centered, Acts 1:8 family.

Launching means to intentionally look for new _____ and new _____ to love, proclaim and reach

Jesus saw the problem was huge and had a _____ in mind

What gifts and abilities do you have and how can you use them to further the mission?

Are you willing to be _____ / _____ ?

God won't take you; He waits for you to present yourself to Him.

KNEES AND FEET (Prayer and Action): *Ask the Holy Spirit to guide you to a change of mind and action.*

It is mind-boggling that God has chosen to involve us in His mission to save and restore His Creation. Doesn't He know how weak and fickle we are? Yes, He does. But He also knows that when we submit to His guidance and provision in our lives that HIS Presence and Power IN US is more than enough to accomplish the task.

What an honor to be invited into the work of God. Have you accepted His invitation, not only to salvation but to service?
