KNEES AND FEET (Prayer and Action): Ask the Holy Spirit to guide you to a change of mind and action.

How does the fact that Jesus has seen it all affect your outlook on life?

If suffering and persecution is not rare for Jesus followers, what does that say about what we can expect in our future? How does Paul's viewpoint in Romans 8:31-39 help to shape your reaction to hardship?

Will you pray for yourself and your Lakeview Family that the Lord will strengthen us and prepare us for the testing so that we can be unafraid and faithful in following Jesus?
